2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

About Our School

Greetings! Welcome to Foothill Elementary School/Goleta Family School, a place where learning is evident in the daily engagement of staff, children, and families! You will find that this campus is a unique place in that we have two schools within one campus. We work as a cohesive team within a community; a place that brings together children, families, and educators focused on the whole child that values and is committed to providing the finest educational experience for all. We, as a community, work together to make this possible each and every day.

We are part of the Goleta Union School District whose mission is to maximize, academic, intellectual, and personal growth in order for each student to prosper in, and positively influence, a diverse and dynamic world. In fact, at Foothill/GFS Elementary School, we believe in maximizing student capacity through educating the whole child. Our school mission is to create a safe learning environment that addresses the needs of the whole child which aligns with our district's mission. Each day, we strive to exemplify our mission where parents, teachers, and students work as a team to meet the academic, social, emotional, behavioral, and physical needs of all children through consistent communication, timely information, and shared knowledge.

Our commitment to SOAR, our Positive Behavior Support System that integrates our character education expectations, helps us to fulfill our mission. With a focus on the positive character attributes of being SAFE, OPEN, ACCEPTING, RESPONSIBLE and RESPECTFUL, our teachers, students, and parents work to create a positive culture to support both academic, social, and emotional needs.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Textbook sufficiency was approved at the September 13, 2023, Board meeting ensuring all students had access to appropriate textbooks and instructional materials. Goleta Union will be moving to pilot a social studies curriculum adopted by the State Board of Education within the coming years. Additionally, the Second Step social-emotional curriculum is used grades TK through sixth.

School Facility Conditions and Planned Improvements

Overall site is in very good condition. The facilities on this site are beginning to show age as improvements will need to be made soon. Asphalt needs maintenance and will ultimately need to be replaced. All heating systems have met their useful service lives and will need to be upgraded. Roof systems will also need to be replaced soon and the fire alarm system is in the process of being updated. Overall, the site is safe for students, staff, and the community and classrooms are very safe environments. Overall site is in very good condition. B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	68	71	56	56	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents are engaged at Foothill/Goleta Family School, belonging to various school and district teams as well as working in classrooms as volunteers and helping with school field trips and events. Foothill/Goleta Family School has a strong, supportive Parent Teacher Association (PTA). The PTA is focused on supporting students and staff in academics and personal growth, and has a common goal of helping every student on the path towards being successful learners. Foothill/Goleta Family School is represented at the District Advisory Council (DAC), Gifted Education Committee, Wellness Committee, and the District English Learner Advisory Council. On site, the School Site Council and English Learner Advisory Council also works to engage Foothill/Goleta Family School to provide opportunities for parents to collaborate with staff in creating the best educational experience possible for our scholars. Families participate in special events such as Science Night, Career Day, Fall Chalk Festival, Carnival, Reflections and Talent Show to name a few. We also celebrate successes together, recognizing students with classroom celebrations and school events. Many of our events are built around coming together as a school community in support of our school. We believe the strong partnership between students, families and school makes a tremendous, positive difference in student's lives at Foothill/Goleta Family School.

2023-24 School Safety Plan

The following information on emergency preparedness and supervision of students is current with respect to student safety. The section on student conduct outlines the responsibilities of students for their own behavior and learning.

Security: The school posts required public signs to communicate rules prohibiting smoking, skateboarding, and alcoholic beverages. Signs are also posted to inform visitors that the school grounds close at dusk. Alarm systems, fencing, and lighting are periodically tested to ensure a safe environment. Each school is represented on the district Safety Committee. Monthly, concerns or issues regarding campus security are shared. The District Maintenance and Operations staff and principals all carry walkie-talkies in order to be available at all times. All are quick to respond to any concerns.

Emergency Preparedness: The school updates the emergency plan annually. A staff in-service is held annually for members to review his or her role in an emergency situation according to the plan and is reviewed throughout the year, especially prior to and after monthly emergency drills. The plan is on file in the school office. Emergency preparedness drills are conducted monthly to ensure students and staff safety in the event of fire, earthquake, or other disaster. The plan focuses on the three R's of disaster preparedness: readiness, response, and recovery to teach all students and staff to be prepared should any emergency occur. All staff are trained using the Standard Response Protocol which focuses on the three R's. The plan was approved November 28, 2023 by the School Site Council and anticipated to be approved by the Board in February 2024.

Supervision of Students: Classroom teachers are responsible for maintaining a safe learning environment. Students are carefully supervised within classrooms and on the playground. Yard duty supervisors are employed at recess and lunchtime to ensure a safe environment for students. School policies regarding behavior are reviewed with students and staff regularly. Policies are sent home to parents annually. We are committed to student safety and a positive school climate.

Badge Identification System for Employees, Volunteers, and Visitors: Signs are posted in all entryways of campus to advise visitors to sign in at the office. To systematically identify persons who have a legitimate presence on our campus, all

employees, volunteers, or visitors are required to wear a pocket or lanyard identification badge. Visitor and volunteer badges are obtainable in the school office. The staff reminds any visitor without a badge to return to the office for one in order to heighten awareness of anyone who is on the campus.

Professional Development

Goleta Union School District annually provides four full days and two half-days of in-service to certificated staff. Professional development is also conducted during staff meetings, and district-wide after-school meetings or release time throughout the year. Teachers are afforded common collaboration time to work in Professional Learning Communities, as well as opportunities to attend professional conferences and workshops. Classified staff members meet for training specific to their positions several times during the year. Our Curriculum Advisory Council and other district committees or work groups provide formal structures as on-going steering committees or for the development of district-wide resources.

The focus of professional development is selected to support the district's Strategic Plan and LCAP goals, as well as the implementation of standards through the use of adopted core and supplemental curriculum. The district continues to value staff input regarding student performance and collaborative practices through professional learning communities. Included in this work is the review of progress toward learning targets, the use and analysis of benchmark summative and common formative assessments, and the ongoing update and development of units of study. Professional learning teams work collaboratively to improve site-based systems for monitoring and responding to student progress. Anti-bias training to develop the awareness of diversity, equity, and inclusion are also offered annually at the beginning of the school year. Specific professional development to support English language development and Positive Behavior Intervention and Support is provided through training and job-embedded coaching. Principals support their teacher teams with the implementation of best practices through feedback after observations, conversation and consultation during grade-level team meetings, and during staff meetings focused on staff development. Teachers on special assignment and district committee representatives also provide support through consultation and resources.
