

School Plan for Student Achievement (SPSA) Template

Instructions and requirements for completing the SPSA template may be found in the SPSA Template Instructions.

School Name	County-District-School (CDS) Code	Schoolsite Council (SSC) Approval Date	Local Board Approval Date
Ellwood Elementary	42691956045421	September 27, 2023	October 25, 2023

Purpose and Description

Briefly describe the purpose of this plan (Select from Schoolwide Program, Comprehensive Support and Improvement, Targeted Support and Improvement, or Additional Targeted Support and Improvement)

Schoolwide Program

Additional Targeted Support and Improvement

Ellwood School is identified for additional targeted support and improvement (ATSI) due to minimal progress for students with identified special education needs.

Briefly describe the school's plan for effectively meeting the ESSA requirements in alignment with the Local Control and Accountability Plan and other federal, state, and local programs.

The purpose of the School Plan for Student Achievement (SPSA) is to create a cycle of continuous improvement of student performance, and to ensure that all students succeed in reaching academic standards. As a Title I school we have increased staffing to address student needs, including a full time tier 3 intervention specialist for reading. We are also having monthly special education team meetings to review progress for students with IEPs.

Comprehensive Needs Assessment Components

Data Analysis

Please refer to the School and Student Performance Data section where an analysis is provided.

Surveys

This section provides a description of surveys (i.e., Student, Parent, Teacher) used during the school-year, and a summary of results from the survey(s).

We administer an annual Needs Assessment to parents of English Language Learners. We also receive information from student surveys (2nd and 6th grades) and seek input from staff, SSC, ELAC, and site leadership including our PLC guiding Coalition during LCAP and SPSA input sessions at our site. A trend from surveys included giving more student choice in learning activities. The achievement gap for our MLL students and Latin X students was an identified as an area of need. Another trend was addressing daily student attendance and chronic absentee issues.

Classroom Observations

This section provides a description of types and frequency of classroom observations conducted during the school-year and a summary of findings.

The principal regularly observes classrooms formally and informally to assess school needs and give feedback to personnel. Observed trends have been a consistent use of essential standards and an increased use of exit tickets and checks for understanding. Principal looks for student engagement, use of district adopted materials, effective instructional strategies, differentiation for different levels of learners, use of effective instructional strategies for MLL students, opportunities for MLL students to speak and participate, use of CFA's to drive instruction and engaging lessons and support of the social / emotional needs of the students. District leadership makes regular site visits through classrooms with principals to observe and reflect on successes and areas for improvement.

Analysis of Current Instructional Program

The following statements are derived from the Elementary and Secondary Education Act (ESEA) of 1965 and Essential Program Components (EPCs). In conjunction with the needs assessments, these categories may be used to discuss and develop critical findings that characterize current instructional practice for numerically significant subgroups as well as individual students who are:

- Not meeting performance goals
- Meeting performance goals
- Exceeding performance goals

Discussion of each of these statements should result in succinct and focused findings based on verifiable facts. Avoid vague or general descriptions. Each successive school plan should examine the status of these findings and note progress made. Special consideration should be given to any practices, policies, or procedures found to be noncompliant through ongoing monitoring of categorical programs.

Standards, Assessment, and Accountability

Use of state and local assessments to modify instruction and improve student achievement (ESEA)

State and local assessment data is available to District and site leadership and teachers/staff. Additionally, benchmark data is compiled and summarized in reports for ease of use. Data is shared with parents and analyzed as part of the PLC process. Grade level teams review CAASPP data at multiple times per year as a team and at data team meetings. ELPAC results are reviewed multiple times per year by our data teams and grade level teachers to inform instruction and progress for our MLL students. We have seen excellent growth for our MLL students on ELPAC and we were able to redesignate sixteen MLL students in the 2022-2023 school year.

Use of data to monitor student progress on curriculum-embedded assessments and modify instruction (EPC)

All students take monthly STAR 360 Early Literacy or Reading/Math assessments. Additionally, students take common formative assessments in math, along with the summative assessments their teacher elects to use. Grade level teams meet to discuss common formative assessments results two to three days per week during planned grade level release time. Intervention Learning Team groupings and learning standards are updated and modified in six week cycles, but many teams modify these on a more frequent basis based on the results of assessments. Data teams including grade level teachers, intervention specialists, school psychologist and principal happen four times per year. The use of data to drive our intervention and instruction has grown greatly during the last year.

Staffing and Professional Development

Status of meeting requirements for highly qualified staff (ESEA)

All classroom teachers are highly qualified.

Sufficiency of credentialed teachers and teacher professional development (e.g., access to instructional materials training on SBE-adopted instructional materials) (EPC)

All teachers are highly qualified and continue to be professionally developed in instructional strategies and curriculum needs.

Alignment of staff development to content standards, assessed student performance, and professional needs (ESEA)

Staff development planning is based on leadership and teacher input regarding instructional needs, as well as an analysis of student successes and areas for improvement. During the 2022-2023 school year, we participated in a year-long ELD training with Dr. Carlos Pagan from the SBCEO. Our staff did additional training on PLC work, social / emotional learning and DEI.

Ongoing instructional assistance and support for teachers (e.g., use of content experts and instructional coaches) (EPC)

New teachers are supported with the County's teacher induction program, as well as a four-part new teacher series to support the development of district-specific programs. All teachers participate in ongoing professional development at the beginning of the school year and monthly as a District. Teachers and staff focus on learning differentiated for the school site during staff meetings and PLC meetings. All teachers work with their PLC teams on improving their professional practice tied to their school plan and District LCAP over the course of the year. Additional support is available as needed, also.

Teacher collaboration by grade level (kindergarten through grade eight [K–8]) and department (grades nine through twelve) (EPC)

Teachers meet regularly in District and site professional development opportunities or staff meetings. General education teachers are provided release time embedded within the school day to meet as a grade level professional learning community. Intervention support staff was given specific time in their schedules to meet monthly with grade level teachers. They found this to be useful.

Teaching and Learning

Alignment of curriculum, instruction, and materials to content and performance standards (ESEA)

Teachers utilize the Common Core State Standards to guide their planning. They use District adopted curriculum as the foundation for their instruction.

Adherence to recommended instructional minutes for reading/language arts and mathematics (K–8) (EPC)

Students receive their core Tier I instruction in their homeroom classroom for English Language Arts and Math. Adherence to the recommended amount of instructional minutes is reviewed annually at the beginning of the year by site leadership in a review of master schedules. We have found that tier our time for academics has been tighter during the 2022-2023 school year due to the increase in specialist times. Teams worked to guarantee that the essential standards were addressed in their tier one instruction. The scarcity of time in the instructional day and the need for robust core 1 instruction is an area we continue to reflect on and will work on next year.

Lesson pacing schedule (K–8) and master schedule flexibility for sufficient numbers of intervention courses (EPC)

Site and District Leadership work together with teachers to ensure that all students have adequate access to Tier I core instruction during content areas. Targeted intervention and extension time also part of the daily routine. Our Learning Team model for tier 2 support was very effective this year. Teachers collected evidence of student growth and mastery of essential standards. The groups were flexible and allowed students to maximize their time focused on areas of need. Our tier 3 reading support was consistent and data driven. Our learning center reduced their number of students needing tier 3 intervention throughout the year and we ended up with the smallest percentage of students needing tier 3 intervention in the school district.

Availability of standards-based instructional materials appropriate to all student groups (ESEA)

All students have access to District adopted materials for English Language Arts, Math, Science, and Social Studies. Differentiation strategies and materials are available to students as necessary.

Use of SBE-adopted and standards-aligned instructional materials, including intervention materials, and for high school students, access to standards-aligned core courses (EPC)

SBE-adopted core and ancillary materials are available to all students in English Language Arts/Literacy, English Language Development, Mathematics, Social Studies, and Science.

Opportunity and Equal Educational Access

Services provided by the regular program that enable underperforming students to meet standards (ESEA)

Teachers and staff are professionally developed to provide a high-quality program of instruction and support to all students.

Evidence-based educational practices to raise student achievement

District and site leadership, District committees, and Teachers on Special Assignment regularly incorporate research in the development of their work and as the basis of their work with teachers and staff

We monitor student academic progress and social behaviors of all student groups. We use grade level PLCs to monitor the growth of different student groups (i.e. Multilingual Learners, neurodiverse students, BIPOC students.) We determine which students require Tier 2 and 3 intervention supports and monitor effectiveness of program through PLC and evaluation of benchmark and monthly STAR 360 assessments.

We maintain progressive discipline and restorative justice practices as appropriate. We are tracking the number of discipline referrals as recorded through student database reports. We also report racial slurs to Pupil Services

Parental Engagement

Resources available from family, school, district, and community to assist under-achieving students (ESEA)

Goleta Union School District values its partnerships with the community to serve our families. Resources are available in areas of academic, social/emotional, behavioral, after-school childcare and enrichment, and more as needed. We have a partnership with UCSB's Power of Play program that provides support for students at recess. Families are very involved in our school as classroom volunteers, coordinators for PTA committees and events and as partners in learning. We continue to work to increase the involvement of our parents of MLL students.

Involvement of parents, community representatives, classroom teachers, other school personnel, and students in secondary schools, in the planning, implementation, and evaluation of ConApp programs (5 California Code of Regulations 3932)

Through our annual Local Control Accountability Plan (LCAP) input process, parents, teachers, staff, leadership, and students are invited to give input to what is working and what are areas of continued need in our schools. Input is solicited on core programs, as well as comprehensive supplemental services. At Ellwood, we h

Funding

Services provided by categorical funds that enable underperforming students to meet standards (ESEA)

Additional targeted intervention and extension is made available for students who are, or were ever, an English learner. Additionally, access to additional support and a summer learning program is available to students with academic needs.

Fiscal support (EPC)

Our site receives funds to support our needs. Additional partnerships with our parent organizations and the community complement the District support.

Educational Partner Involvement

How, when, and with whom did the school consult as part of the planning process for this SPSA/Annual Review and Update?

Involvement Process for the SPSA and Annual Review and Update

The School Site Council (SSC), which is comprised of an equal number of parents and staff, works to review input from various educational partners in the school community including teachers, staff, parents, leadership, and community partners, along with student performance data to develop the school plan. The SSC gave input on the SPSA goals on multiple meetings throughout the 2022-2023 school year, including final advice on May 3, 2023. The 2023-2024 SSC gave final approval to the plan on September 26, 2023. The Ellwood English Learner Advisory Committee reviewed the EL Parent Survey and gave input on SPSA goals on March 16, 2023.

School and Student Performance Data

Student Enrollment Enrollment By Student Group

Student Enrollment Enrollment By Grade Level

Student Enrollment by Grade Level			
Grade	Number of Students		
	20-21	21-22	22-23
Kindergarten	36	67	60
Grade 1	34	40	51
Grade 2	43	48	36
Grade3	39	50	51
Grade 4	41	45	49
Grade 5	28	48	45
Grade 6	46	46	49
Total Enrollment	267	344	341

Conclusions based on this data:

1. Ellwood saw decline in enrollment during the pandemic as students participated in our district's virtual academy program. Enrollment in 2021-2022 returned to near pre-pandemic levels with a sizable number of students in kindergarten.
2. The 2022-2023 enrollment was consistent with the overall enrollment for 2021-2022.
3. The data suggests a decrease in the cohort going from kindergarten to grade 1 in the last two years. Some of these students were transitional kindergarten students in 2021-2022 and were in kindergarten during the 2022-2023 school year.

School and Student Performance Data

Student Enrollment English Learner (EL) Enrollment

English Learner (EL) Enrollment						
Student Group	Number of Students			Percent of Students		
	20-21	21-22	22-23	20-21	21-22	22-23
English Learners	71	84	75	26.6%	24.4%	22.0%
Fluent English Proficient (FEP)	31	37	43	11.6%	10.8%	12.6%
Reclassified Fluent English Proficient (RFEP)	4			5.6%		

Conclusions based on this data:

1. The percentage of English Learners at Ellwood School has declined each year over the last three years.
2. Over 20% of our population is a multi-lingual learner.
3. We were able to RFEP 16 students in 2022-2023.

School and Student Performance Data

Research/Inquiry Investigating, analyzing, and presenting information									
Grade Level	% Above Standard			% At or Near Standard			% Below Standard		
	20-21	21-22	22-23	20-21	21-22	22-23	20-21	21-22	22-23
Grade 3		34.69	34.78		55.10	58.70		10.20	6.52
Grade 4		20.45	16.33		61.36	79.59		18.18	4.08
Grade 5		19.15	25.00		65.96	59.09		14.89	15.91
Grade 6		24.44	22.92		64.44	68.75		11.11	8.33
All Grades		24.86	24.60		61.62	66.84		13.51	8.56

Conclusions based on this data:

1. Student participation in CAASPP assessments in consistently strong.
2. Overall scaled scores continue to increase slightly overall. Approximately (~32%) of students exceed the standard and (~26%) meet the standard in overall English Language Arts/Literacy achievement. Approximately (~21%) nearly meet and (~22%) do not meet the overall achievement standards in ELA. It should be noted that these percentages are approximate, as there are varied and fluctuated scores between grade levels/years.
3. The claims demonstrate that writing skills are achieved by the majority, although approximately (~18%) of students are not meeting this standard.

Grade 5		6.25	22.73		68.75	52.27		25.00	25.00
Grade 6		27.66	8.33		44.68	66.67		27.66	25.00
All Grades		23.94	23.16		51.60	57.89		24.47	18.95

Conclusions based on this data:

1. Student participation in CAASPP assessments in consistently strong at 100% of students taking the assessments in 2021-2022.
2. Overall scaled scores continue to increase slightly overall. Approximately (~21%) of students exceed the standard and (~22%) meet the standard in overall Math achievement. Approximately (~26%) nearly meet and (~31%) do not meet the overall achievement standards in Math. It should be noted that these percentages are approximate, as there are varied and fluctuated scores between grade levels/years.
3. Concepts and procedures; Applying mathematics concepts and procedures was that lowest scoring area for Ellwood with 31.91% of students below standard.

Conclusions based on this data:

1. Overall, 28% of our ML students scored that the 4 level in the overall language category and may be considered for reclassification.
2. Oral language was a strong area with 54% of students scoring in the 4 range.
3. In 2021-2022 our percentage of students testing in the well developed category was higher than in 2020-2021 in all domains.

School and Student Performance Data

Student Population

For the past two years, many state and federal accountability requirements were waived or adjusted due to the impact of the COVID-19 pandemic on LEAs, schools, and students. Beginning with the 2021-22 school year, the requirements to hold schools and districts accountable for student outcomes has returned with the release of the 2022 California School Dashboard (Dashboard). The Every Student Succeeds Act is requiring all states to determine schools eligible for support. Similarly, under state law, Assembly Bill (AB) 130, which was signed into law in 2021, mandates the return of the Dashboard using only current year performance data to determine LEAs for support. Therefore, to meet this state requirement, only the 2021-22 school year data will be reported on the 2022 Dashboard for state indicators. (Data for Change [or the difference from prior year] and performance colors will not be reported.)

This section provides information about the school's student population.

2021-22 Student Population			
Total Enrollment	Socioeconomically Disadvantaged	English Learners	Foster Youth
344	43.0	24.4	0.3
Total Number of Students enrolled in Ellwood Elementary.	Students who are eligible for free or reduced priced meals; or have parents/guardians who did not receive a high school diploma.	Students who are learning to communicate effectively in English, typically requiring instruction in both the English Language and in their academic courses.	Students whose well being is the responsibility of a court.

2021-22 Enrollment for All Students/Student Group		
Student Group	Total	Percentage
English Learners	84	24.4
Foster Youth	1	0.3
Homeless	1	0.3
Socioeconomically Disadvantaged	148	43.0
Students with Disabilities	29	8.4

Enrollment by Race/Ethnicity		
Student Group	Total	Percentage
African American	1	0.3
American Indian		
Asian	20	5.8
Filipino	3	0.9
Hispanic	178	51.7
Two or More Races	37	10.8
Pacific Islander		
White	105	30.5

Conclusions based on this data:

- 1. 43% of our population is socioeconomically disadvantaged.
- 2. Approximately 24% of students are identified as English learners.
- 3. 51.7% of our students are Hispanic.

School and Student Performance Data

Overall Performance

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

2022 Fall Dashboard Overall Performance for All Students

Conclusions based on this data:

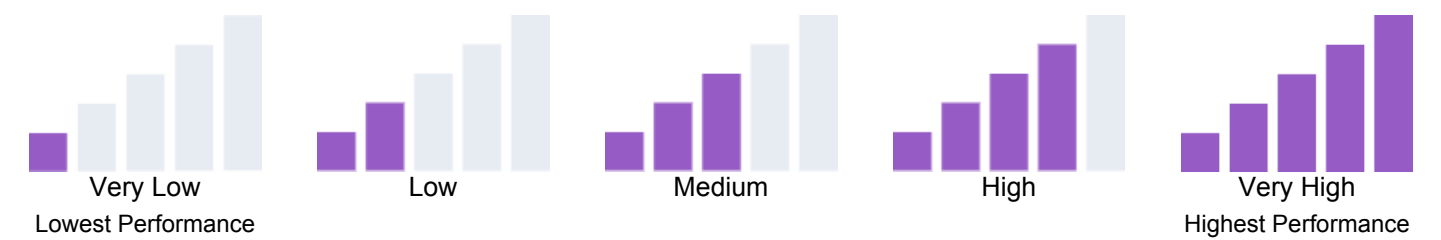

- English Language Arts academic scores are in the high range.
- English Learner Progress is very high.
- Chronic Absenteeism is in the high range.

School and Student Performance Data

Academic Performance English Language Arts

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

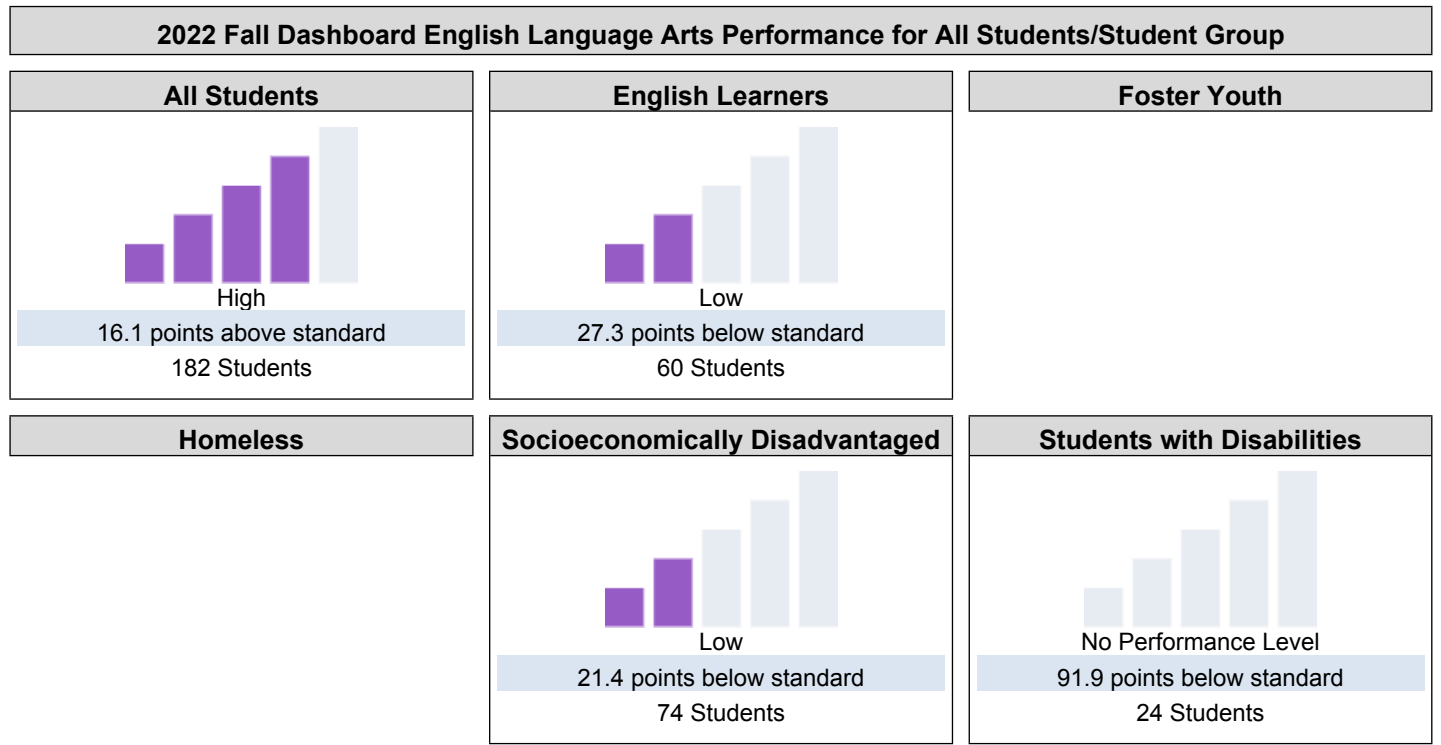

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

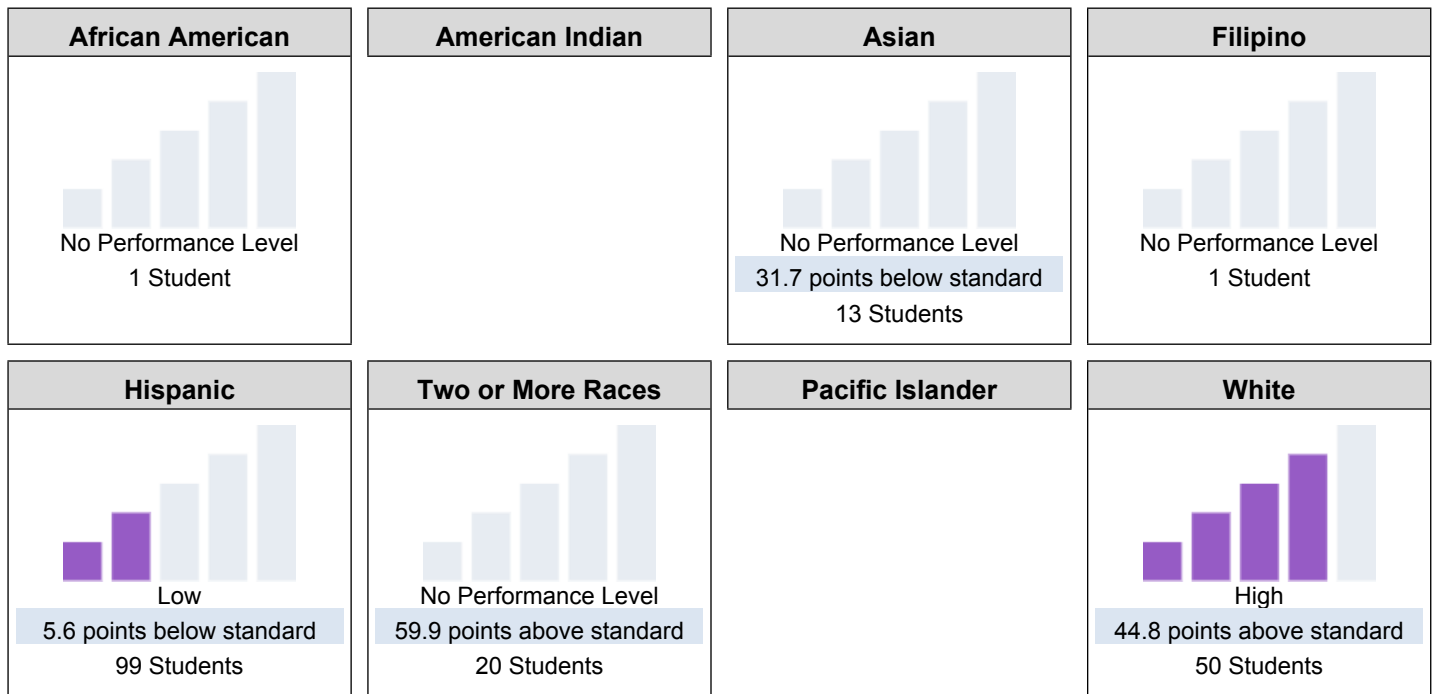

This section provides number of student groups in each level.

This section provides a view of how well students are meeting grade-level standards on the English Language Arts assessment. This measure is based on student performance on either the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard English Language Arts Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in English Language Arts.

2022 Fall Dashboard English Language Arts Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
88.6 points below standard 32 Students	31.7 points above standard 29 Students	36.3 points above standard 117 Students

Conclusions based on this data:

1. The all students group tested in the high range on the 2022 SBAC in ELA.
2. Hispanic students tested 5.6 points below the standard. The white subgroup tested 44.8 points above the standard. This indicates an achievement gap in ELA.
3. English Learner students tested 27.3 points below the standard.

School and Student Performance Data

Academic Performance Mathematics

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

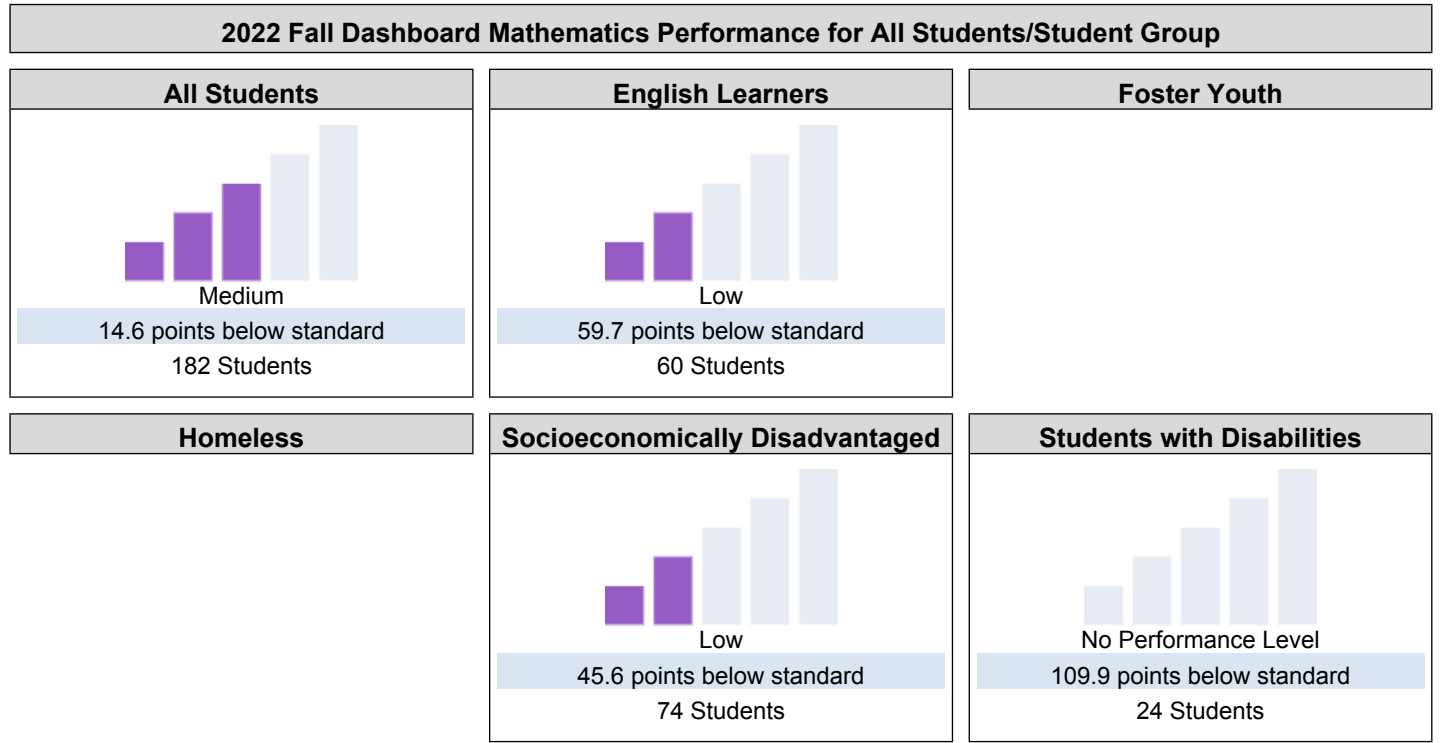

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

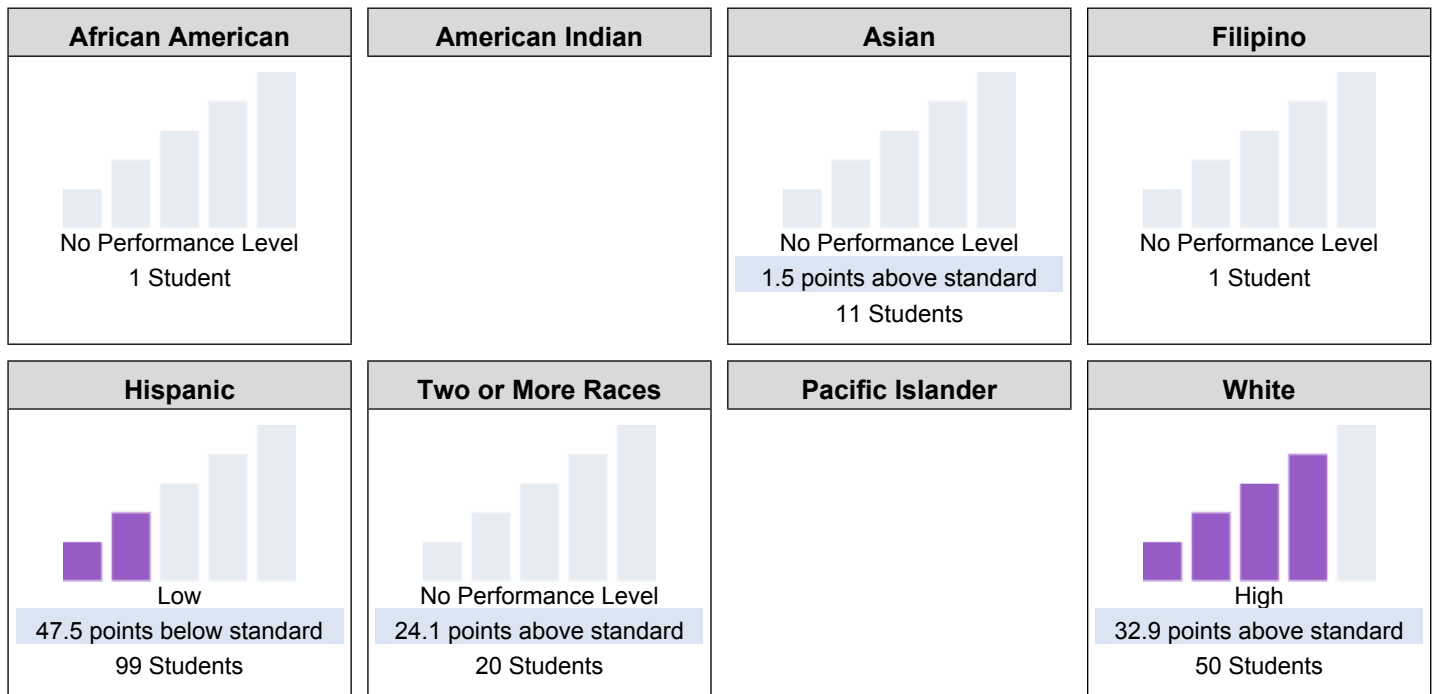

This section provides number of student groups in each level.

2022 Fall Dashboard Mathamtics Equity Report				
Very Low	Low	Medium	High	Very High
0	3	0	1	0

This section provides a view of how well students are meeting grade-level standards on the Mathematics assessment. This measure is based on student performance either on the Smarter Balanced Summative Assessment or the California Alternate Assessment, which is taken annually by students in grades 3–8 and grade 11.

2022 Fall Dashboard Mathematics Performance by Race/Ethnicity

This section provides additional information on distance from standard for current English learners, prior or Reclassified English learners, and English Only students in mathematics

2022 Fall Dashboard Mathematics Data Comparisons for English Learners

Current English Learner	Reclassified English Learners	English Only
99.0 points below standard 31 Students	17.7 points below standard 29 Students	7.3 points above standard 117 Students

Conclusions based on this data:

- English Learners tested 59.7 points below the standard.
- Our Hispanic subgroup tested 47.5 points below the standard. Our white subgroup tested 32.9 points above the standard. This indicates an achievement gap.
- Students with disabilities tested 109.9 points below the standard.

School and Student Performance Data

Academic Performance English Learner Progress

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

This section provides information on the percentage of current EL students making progress towards English language proficiency or maintaining the highest level.

2022 Fall Dashboard English Learner Progress Indicator

This section provides a view of the percentage of current EL students who progressed at least one ELPI level, maintained ELPI level 4, maintained lower ELPI levels (i.e, levels 1, 2L, 2H, 3L, or 3H), or decreased at least one ELPI Level.

2022 Fall Dashboard Student English Language Acquisition Results

Decreased One ELPI Level	Maintained ELPI Level 1, 2L, 2H, 3L, or 3H	Maintained ELPI Level 4	Progressed At Least One ELPI Level
8.5%	22.0%	3.4%	66.1%

Conclusions based on this data:

1. Our MLL students tested on the very high category.
2. 66.1% of students progressed at least one level.
3. Only 8.5% decreased one level.

School and Student Performance Data

Academic Engagement Chronic Absenteeism

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

This section provides number of student groups in each level.

This section provides information about the percentage of students in kindergarten through grade 8 who are absent 10 percent or more of the instructional days they were enrolled.

2022 Fall Dashboard Chronic Absenteeism by Race/Ethnicity

Conclusions based on this data:

1. We are in the overall high category for chronic absenteeism.
2. Students with disabilities has 34.3% chronic absenteeism.
3. Our Hispanic subgroup has 23.3% chronic absenteeism.

School and Student Performance Data

Conditions & Climate Suspension Rate

Due to the COVID-19 pandemic, state law allows the 2022 Dashboard to only display the most current year of data (also known as Status). For this year only, performance levels will be reported using one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low) for state measures. Please note that the Status levels associated with the Chronic Absenteeism and Suspension Rate Indicators are reversed (ranging from Very Low, Low, Medium, High, and Very High). Information regarding this year's Dashboard data is available within the [Dashboard Communications Toolkit](#).

Because performance on state measures is based on current year (i.e., 2021-22) results only for the 2022 Dashboard, the color dials have been replaced with one of five Status levels (ranging from Very High, High, Medium, Low, and Very Low).

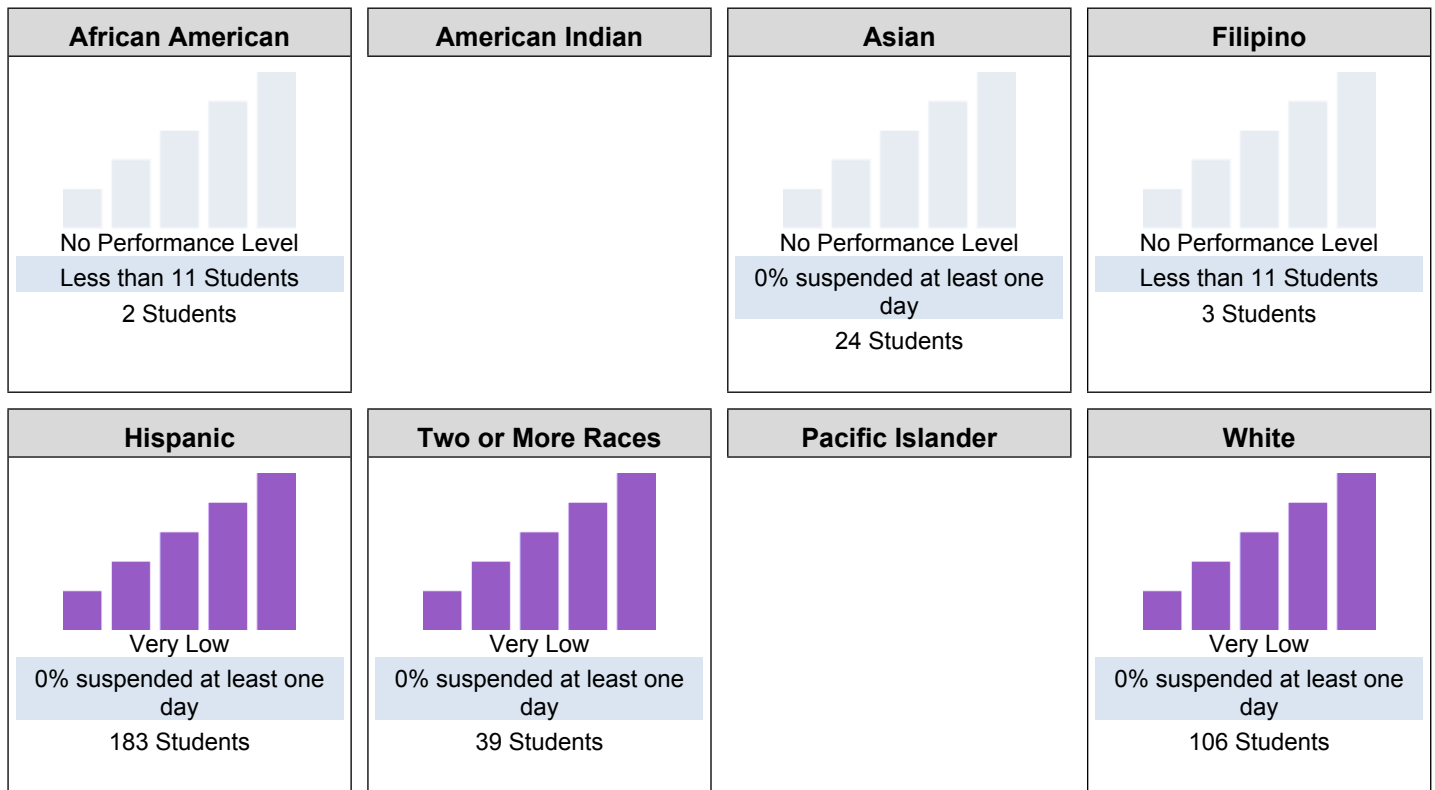

This section provides number of student groups in each level.

2022 Fall Dashboard Suspension Rate Equity Report				
Very High	High	Medium	Low	Very Low
0	0	0	0	6

This section provides information about the percentage of students in kindergarten through grade 12 who have been suspended at least once in a given school year. Students who are suspended multiple times are only counted once.

2022 Fall Dashboard Suspension Rate for All Students/Student Group					
All Students		English Learners		Foster Youth	
<p>Very Low</p> <p>0% suspended at least one day</p> <p>357 Students</p>		<p>Very Low</p> <p>0% suspended at least one day</p> <p>98 Students</p>		<p>No Performance Level</p> <p>Less than 11 Students</p> <p>1 Student</p>	
Homeless		Socioeconomically Disadvantaged		Students with Disabilities	
<p>No Performance Level</p> <p>Less than 11 Students</p> <p>1 Student</p>		<p>Very Low</p> <p>0% suspended at least one day</p> <p>159 Students</p>		<p>Very Low</p> <p>0% suspended at least one day</p> <p>36 Students</p>	

2022 Fall Dashboard Suspension Rate by Race/Ethnicity

Conclusions based on this data:

1. Overall, there were no suspensions.
2. Alternate forms of discipline were used other than suspensions.
3. There is not a difference in suspension based on race.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

English Language Arts and Mathematics

LEA/LCAP Goal

LCAP Goal 4: All students, including students from various student groups such as low-income households, students learning English as an additional language, and students with disabilities, will demonstrate proficiency and growth in all subject areas.

Goal 1

All students will demonstrate a year's growth in English Language Arts/Literacy and Mathematics as measured by the STAR 360 Reading assessments. Students in grades 3-6 will be evaluated by SBAC scores as well.

Identified Need

Not all students are making benchmark proficiency and/or one years growth as measured by Ren Star or by SBAC.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
STAR 360 - Spring Data Early Literacy – Proficiency	Spring 2023 Data Early Literacy Proficiency Overall At/Above % = 52.4% Student Group by Ethnicity* Latinx = 40% White = 83.3% Multiple = 100% Kindergarten 47.2% Above Benchmark 11.1% At Benchmark 19.4% On Watch 11.1% Intervention 11.1% Urgent Intervention 1st Grade 25% At Benchmark 0% On Watch 25% Intervention 25% Urgent Intervention Spring 2022 Data Early Literacy Proficiency Overall At/Above % = 65.5% Student Group by Ethnicity*	Increase the number of students meeting and exceeding proficiency in Early Literacy to 70%. Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students including subgroups will be served by this strategy.

Strategy/Activity

Monitor and Communicate Progress: PLTs determine T2 and T3 rosters to start during first full week of school, continue to adjust groupings based on assessment data.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students including subgroups will be served by this strategy.

Strategy/Activity

Monitor and Communicate Progress: PLTs record/track student progress with CFAs, STAR 360, DIBELS and share with site on data forms.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s) Source(s)

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students including subgroups will be served by this strategy.

Strategy/Activity

Monitor and Communicate Progress: Data teams will be held after district benchmark Ren Star assessments.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s) Source(s)

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students, including all subgroups, will be served by this strategy.

Strategy/Activity

Monitor and Communicate Progress: Communicate with parents for students not making progress, SST meetings may be held.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s) Source(s)

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students with a focus on subgroups that are showing lower reading scores including our Hispanic subgroup, our multilingual learners and our students with disabilities.

Strategy/Activity

Monitor and Communicate Progress: Lexia will be purchased for grades K - 3.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
5,490	General Fund

Strategy/Activity 6

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students including subgroups will be served by this strategy.

Strategy/Activity

Reading PD: Participate in GUSD Science of Reading training modules in grades TK-3 and provide discussion time during staff meetings.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)	Source(s)
100	General Fund

Strategy/Activity 7

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All students including subgroups will be served by this strategy.

Strategy/Activity

Reading PD: Teachers will meet with district TOSA's to promote reading.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We have continued to make steady growth in our PLC work at Ellwood. This work has resulted in growth in English-Language Arts for our students as a whole although some subgroups have continued to have lower scores. Our professional learning teams have now engrained their discussions of instructional strategies and curriculum into their regular practice and daily meetings. All teams have made growth in the development and use of CFA's. They continue to refine the CFA's based on essential standards. This work will continue next year, but it has been a major growth area for us and it has allowed us to be more flexible with our tier two and three interventions. This year our guiding coalition created a centralized Google page for all grade levels to store / link essential standards, unit plans, CFA's, data sheets and student rosters for Learning Team time. We will continue to add to this document next school year. We have found the CAPS network to be very useful as we continue to grow as a PLC.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There were no difference in expected budget expenditures. An area that we did not progress as intended in was the professional development time during our daily specialist / PLT time. We had hoped to have teachers observe their own and other grade level teachers and have time to reflect on their teaching practices. This also would include model lesson observation. We are hoping to have guiding coalition leads go into classrooms next year to provide professional development.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We are excited to add the Science of Reading professional development next year. We are also adding PBIS and including our continued DEI work to this goal for next year. We will also look to continue to strive for a 5% increase in the number of students meeting standards on SBAC and in RenStar reading and math assessments.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

English Language Development

LEA/LCAP Goal

Goal 1: All students learning English as an additional language will increase their overall English proficiency and academic achievement.

Goal 2

All students, specifically including English Language Learner students, will increase their frequency and complexity of oral language production.

Identified Need

Informal observations and student performance data indicate that our multi-lingual learners do not achieve at the same level as our English only students.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Continued progress in ensuring all students are making 1 year of growth in ELD as measured by ELPAC.	ELPAC assessments are given each spring.	Students will move up levels on the ELPAC.
ELPAC Level Progress	2023 Dashboard Data: English Learner Progress: 2022 Dashboard Data: English Learner Progress: Very High ELPAC 2023 Overall = 66.2% Level 4 = 16.9% Level 3 = 49.2% Level 2 = 26.2% Level 1 = 7.7%	All English learners will progress at least one level (or a maintain a level 4)
2022-2023 Fall to Spring STAR 360 Reading Growth of MLs	2022-2023 Data 72.5% Overall Students Typical/High Growth: English Language Learner = 76%	All English Language Learners will make typical or high growth on the STAR 360 reading assessment

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	<p>Initially Fully English Proficient = 80%</p> <p>Reclassified Fully English Proficient = 80%</p> <p>Non-English Language Learner = 70%</p> <p>2021-2022 Data</p> <p>% Students Typical/High Growth:</p> <p>English Language Learner = 59%</p> <p>Initially Fully English Proficient = 90%</p> <p>Reclassified Fully English Proficient = 70%</p> <p>Non-English Language Learner = 73%</p>	

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Multi-Lingual Learning Students at Ellwood School, including students reclassified as Fluent English Proficient (RFEP), will be served by this strategy.

Strategy/Activity

ELD: Students identified as English learners will participate in a grade level wide 30 minute designated English Language Development period daily, taught at their language level range, utilizing Wonders Designated ELD curriculum with supplemental materials from the English Learners Toolkit. In addition, we will be focusing on increasing our staff implementation of integrated ELD strategies as introduced by Dr. Carlos Pagan.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Strategy/Activity 2

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Multi-Lingual Learning Students at Ellwood School, including students reclassified as Fluent English Proficient (RFEP), will be served by this strategy.

Strategy/Activity

ELD Principal will observe designated ELD lesson with director of instructional services and give feedback to teachers.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Strategy/Activity 3

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Multi-Lingual Learning Students at Ellwood School, including students reclassified as Fluent English Proficient (RFEP), will be served by this strategy.

Strategy/Activity

ELD: Guiding Coalition will monitor growth of MLL students and discuss growth at data team meetings

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Strategy/Activity 4

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Multi-Lingual Learning Students at Ellwood School, including students reclassified as Fluent English Proficient (RFEP), will be served by this strategy.

Strategy/Activity

ELD: Teachers will add designated eld lessons plans to shared drive of lessons

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Amount(s)

Source(s)

Strategy/Activity 5

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All Multi-Lingual Learning Students at Ellwood School, including students reclassified as Fluent English Proficient (RFEP), will be served by this strategy.

Strategy/Activity

ELD: Increase parent participation in ELAC meeting by providing food, childcare, guest speakers and rewards to meetings

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We made excellent progress in our ELD work for the past two years. Last year we redesignated nineteen students, an accomplishment we were proud of. Dr. Carlos Pagan provided us with individual coaching, professional development at staff meetings and a critical eye of our practices. He also helped guide our ELAC work for the year and helped grow the number of parents in attendance and participating. A large focus of Dr. Pagan's was preparing for the ELPAC assessment.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

There were no drastically material differences in the proposed and actual expenditures.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The goal will continue for next year. We have worked with Dr. Pagan for two years and we will be implementing his strategies and suggestions on our own with a focus on integrated ELD.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Attendance

LEA/LCAP Goal

LCAP Goal 3 - All students will attend school regularly with a minimal number of students chronically absent.

Goal 3

By the end of the 2023-2024 school year Ellwood's daily attendance rate will be 95% or higher and our chronic absentee rate will be 20% or lower.

Identified Need

Daily and chronic absenteeism was high during the 2022-2023 school year at Ellwood. Our daily attendance rate was 92.5% and 26.9% of our students were chronically absent.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
Daily and yearly attendance data from Synergy.	During the 2022-2023 school year, our daily attendance rate was 92.5% and 26.9% of our students were chronically absent.	Increase overall average daily attendance greater than 95%. Decrease overall chronic absenteeism below 20%.

Complete a copy of the Strategy/Activity table for each of the school's strategies/activities. Duplicate the table, including Proposed Expenditures, as needed.

Strategy/Activity 1

Students to be Served by this Strategy/Activity

(Identify either All Students or one or more specific student groups)

All student groups will be served by this goal.

Strategy/Activity

Communication: Principal, Office Staff, Community Liaison monitor attendance to identify those at high-risk for chronic absenteeism.

Proposed Expenditures for this Strategy/Activity

List the amount(s) and funding source(s) for the proposed expenditures. Specify the funding source(s) using one or more of the following: LCFF, Federal (if Federal identify the Title and Part, as applicable), Other State, and/or Local.

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

Chronic absenteeism continued to be an issue during the 2022-2023, increasing to 29.2% of the population. While we improved compared to the previous year, we still had the highest chronic absentee rates in the school district. While we did increase our communication to families regarding absences, this is still an area that can be improved upon.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

We would have liked to get parent notifications out earlier in the fall than we did.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

We will be adding a positive incentive for school attendance during the 2023-2024 school year.

Goals, Strategies, & Proposed Expenditures

Complete a copy of the following table for each of the school's goals. Duplicate the table as needed.

Goal Subject

Special Education Academic Achievement

LEA/LCAP Goal

LCAP Goal 4: All students, including students from various student groups such as low-income households, students learning English as an additional language, and students with disabilities, will demonstrate proficiency and growth in all subject areas.

Goal 4

Students identified as special education will show a years growth in ELA and math as measure by RenStar assessments and state assessments.

Identified Need

Ellwood's special education population has been identified through ATSI as needing to improve academic growth and performance.

Annual Measurable Outcomes

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
RenStar monthly assessments	<p>2022-2023</p> <p>Reading STAR 360 Spring 2023 Has a Disability =40.6% proficient No Disability = 67.3% proficient</p> <p>Math STAR 360 Spring 2023 Has a Disability = 46.9% proficient No Disability = 78.2% proficient</p> <p>Reading STAR 360 Baseline August 2022 Has a Disability = 36.7% proficient No Disability = 64.4% proficient</p> <p>Math STAR 360 Baseline August 2022 Has a Disability = 33.3% proficient No Disability = 71.3% proficient</p> <p>2021-2022</p>	<p>As the year progresses, we will see steady progress in ELA and math scores.</p>

Metric/Indicator	Baseline/Actual Outcome	Expected Outcome
	Reading STAR 360 Spring 2022 Has a Disability = 33.3% proficient No Disability = 74.1% proficient Math STAR 360 Spring 2022 Has a Disability = 46.4% proficient No Disability = 81.9% proficient Reading STAR 360 Baseline August 2021 Has a Disability = 19% proficient No Disability = 64.7% proficient Math STAR 360 Baseline August 2021 Has a Disability = 31.8% proficient No Disability = 73% proficient

Annual Review

SPSA Year Reviewed: 2022-23

Respond to the following prompts relative to this goal. If the school is in the first year of implementing the goal, an analysis is not required and this section may be deleted.

ANALYSIS

Describe the overall implementation of the strategies/activities and the overall effectiveness of the strategies/activities to achieve the articulated goal.

We have seen nice growth in our scores for students with disabilities in both ELA and math. In ELA we saw a 7.3% increase in the number of students with disabilities meeting standards from spring of 2022 to spring of 2023. In mathematics we also saw an increase of .5%. We increased our core instruction in reading this school year and we were also more focused with our tier 2 and 3 intervention time. We added some mathematics interventions and this was productive. A key piece was the PLC discussions and planning of our grade level teams and our special education teachers. They were intentional in their communication and collaboration in regards to the learning needs of our students with disabilities.

Briefly describe any major differences between the intended implementation and/or the budgeted expenditures to implement the strategies/activities to meet the articulated goal.

We were able to have our special education teachers meet more regularly with general education teachers, but we still found the scheduling to be a struggle. We will continue to work to find more ways to get time for these groups to meet more frequently.

Describe any changes that will be made to this goal, the annual outcomes, metrics, or strategies/activities to achieve this goal as a result of this analysis. Identify where those changes can be found in the SPSA.

The goal will remain the same, but we will be adding more ways to get our teachers to collaborate between special education and general education.

School Site Council Membership

California Education Code describes the required composition of the School Site Council (SSC). The SSC shall be composed of the principal and representatives of: teachers selected by teachers at the school; other school personnel selected by other school personnel at the school; parents of pupils attending the school selected by such parents; and, in secondary schools, pupils selected by pupils attending the school. The current make-up of the SSC is as follows:

- 1 School Principal
- 2 Classroom Teachers
- 1 Other School Staff
- 4 Parent or Community Members

Name of Members	Role
Ned Schoenwetter	Principal
Laura Calene	Classroom Teacher
Evyn Van Homer	Classroom Teacher
Lisa Baum	Other School Staff
Adina Roskies	Parent or Community Member
Xiaofeng Li	Parent or Community Member
TBD	Parent or Community Member
TBD	Parent or Community Member

At elementary schools, the school site council must be constituted to ensure parity between (a) the principal, classroom teachers, and other school personnel, and (b) parents of students attending the school or other community members. Classroom teachers must comprise a majority of persons represented under section (a). At secondary schools there must be, in addition, equal numbers of parents or other community members selected by parents, and students. Members must be selected by their peer group.

Recommendations and Assurances

The School Site Council (SSC) recommends this school plan and proposed expenditures to the district governing board for approval and assures the board of the following:

The SSC is correctly constituted and was formed in accordance with district governing board policy and state law.

The SSC reviewed its responsibilities under state law and district governing board policies, including those board policies relating to material changes in the School Plan for Student Achievement (SPSA) requiring board approval.

The SSC sought and considered all recommendations from the following groups or committees before adopting this plan:

Signature	Committee or Advisory Group Name
The SSC reviewed the content requirements for school plans of programs included in this SPSA and believes all such content requirements have been met, including those found in district governing board policies and in the local educational agency plan.	

This SPSA is based on a thorough analysis of student academic performance. The actions proposed herein form a sound, comprehensive, coordinated plan to reach stated school goals to improve student academic performance.

This SPSA was adopted by the SSC at a public meeting on 9/27/2023.

Attested:

Principal, Ned Schoenwetter on 9/29/2023
SSC Chairperson, Laura Calene on 10/2/2023
