#### Introduction

The Goleta Union School District (GUSD) Second Interim Financial Report for fiscal year 2023-24 is presented this evening for discussion and approval. The State of California requires school districts to prepare interim reports of financial activity and updated budget forecasts twice during each fiscal year. The Second Interim Report presents data as of January 31, 2024, and provides comparisons of the Adopted Budget, year to date actuals, and First and Second Interim projections.

The objective of interim reports is to help ensure proper Board oversight and periodic adjustment of the district operating budget. The Board asserts, by filing a Positive Certification of Financial Position, that the district is able to meet the current year and two subsequent years' financial obligations.

The 2023-24 Second Interim Financial Report projects a fund balance in the General Fund that exceeds the GUSD's minimum recommended reserve requirement of three percent for the current and two subsequent years.

The state stipulates that the Interim Report be prepared using the Standardized Account Code Structure (SACS) formats, which are included in Section II. The Second Interim Report contains information on the General Fund revenues, expenditures and fund balance as well as a cash flow analysis, criteria and standards review and a subsequent two-year projection for fiscal years 2024-2025 and 2025-2026. These are useful documents in tracking trends and are important tools in financial planning. All of the district's revenue and expense accounts have been examined and adjusted as needed from the First Interim Report, factoring in enrollment, staffing levels, legally mandated services, property tax projections and carryover from the prior year.

#### **Executive Summary**

The Second Interim Report incorporates all of the changes made to the operating budget of the District since the First Interim Report.

As a community funded district, revenue from local property taxes for GUSD continues to exceed the Local Control Funding Formula (LCFF) entitlement funding by \$13.4 million. The LCFF calculation of monies earmarked in the Supplemental and Concentration Grants for unduplicated pupils (students from low-income families, English learners and foster youth) are not received by GUSD due to community funded status, but the amount for the Supplemental Grant is still identified in the budget and LCAP spending plans to support those students. Those calculations are included in this report on the LCFF Calculator exhibit.

In addition to the SACS schedules, included are combined General Fund and schedules for all GUSD funds. These materials are in Section I and together with the SACS documents provide a good cross-section of the fiscal health of the district.

#### **Property Taxes**

Revenues from local property taxes in 2023-24 are projected to be \$52.5 million. This projection is from the P-1 tax data report received from the County Education Office and is based on the equalized property tax roll for 2023-24. Other factors to consider when projecting property tax revenues include distributions from the redevelopment agencies (RDA), prior year taxes and adjustments to one-time tax allocations. No changes were made to property tax revenue projections for 2023-24 from the First Interim report. A growth factor of 4.5% is used to project 2024-25 and 4% for 2025-26 tax revenue.

#### Enrollment/ADA

The certified enrollment count for GUSD for the 2023-24 school year as reported to the California Department of Education is 3,407 which is down 9 students from the certified count of the 2022-23 school year. This reduction is despite the addition of five transitional kindergarten (TK) classrooms with 59 additional TK students compared to 2022-23. This enrollment number includes 1,451 unduplicated students that are either English Learners or socioeconomically disadvantaged. This represents an unduplicated count rate of 42.59% for 2023-24 which is a slight decline. Using the attendance rate that we are seeing, we project the 2023-24 ADA to be approximately 3,255.50. In a budget trailer bill in Sacramento, the State continues to provide relief from the significant drops in ADA and allows the use of 2022-23, 2021-22 or an average of the most recent three years which is 3,414.44 for GUSD.

#### **Deficits**

The Second Interim Report shows an operating deficit in the General Fund of \$2.93 million for 2023-24. In an effort to reduce and eventually eliminate budget deficits, the GUSD Board of Trustees approved \$2.39 in budget reductions for 2024-25. The multi-year projection includes the budget reductions for 2024-25 that would be carried forward to 2025-26. The cost of operations must be carefully watched to re-establish the district reserve that has been drawn upon since the COVID pandemic. The current year deficit does not include any cost of a potential settlement with GUSD employee unions for 2023-24.

#### **Fund Balances**

The projected deficit in the Combined General Fund for the Second Interim for 2023-24 is \$2.93 million. The projected total reserve at the end of the 2023-24 fiscal year in the General Fund is \$12.24 million. Total available reserves are \$7.24 million. The amount required to be held in the Reserve for Economic Uncertainties is 3% or \$2.29 million. The amount of Restricted Fund Balance projected at the end of 2022-23 in the General Fund is \$2.07 million consisting of:

- UPK Planning Grant \$22,620
- Educator Effectiveness \$656,942
- Lottery Instructional Materials \$263,582
- Arts. Music and Instructional Materials Block Grant \$700,010
- Child Nutrition Kitchen Infrastructure and Training Funds \$94,155
- Classified School Employee Professional Development Grant \$31,683
- Classified School Employee Summer Assistance Program \$19,242
- Other Restricted Local \$286,129

#### Positive Certification

The First Interim Budget presents a Positive Certification which signifies that the district is able to meet the current year and two subsequent years' financial obligations. Careful attention and communication will be made to the Board of Trustees to ensure continued effort to achieve future compliance reserve benchmarks.

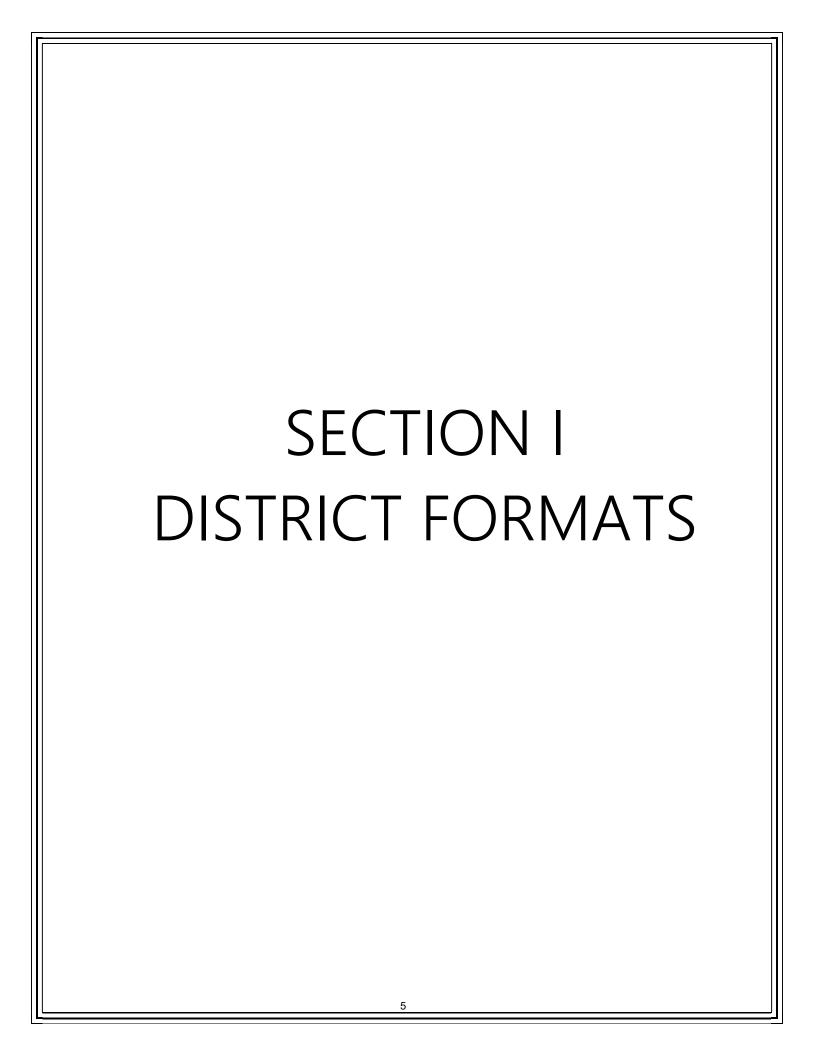

#### **Contact Information**

Every effort will be made to ensure that this and future budget documents will be presented in a manner that members of the general public will understand. Interested members of the public are encouraged to contact me to ask questions, make suggestions or discuss the information presented in this report.

### 2023-24 Second Interim Budget Highlights

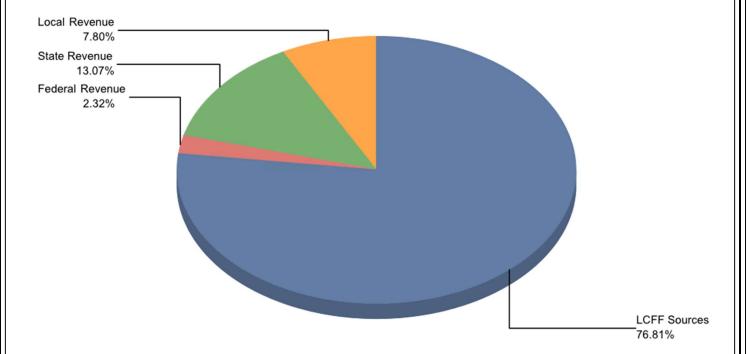

Below is a quick list of items that have impacted the budget on the 2023-24 Second Interim report that are highlighted for easy reference.

- 1. **District Enrollment and Projected ADA –** The certified student enrollment count for the 2023-24 school year is 3,407 students. Average Daily Attendance (ADA) is projected to be 3,255.50. The percentage of unduplicated English learners and socioeconomically disadvantaged students is certified for 2022-23 at 42.59%.
- 2. **Result from Operations** Expenditures exceed revenues by \$2.93 million resulting in a deficit across the combined unrestricted and restricted programs of the General Fund.
- 3. **Property tax growth** for GUSD in 2023-24 is still projected to be 5.9%, which amounts to just under \$3.0 million. Total tax revenue is projected to be \$52.5 million. Projected growth for 2024-25 is set at 4.5% and 4.0% for 2025-26.
- 4. **Negotiated Settlements** have not been reached for 2023-24. The cost for any salary settlement is not included in the expenditure projections contained in this document and would add to the deficit.
- 5. **Fund Balance** in the General Fund is projected to be \$9.32 million at the end of the 2023-24 fiscal year. Of that amount \$2.07 million is from restricted accounts, and \$2.29 million is the required 3% Reserve for Economic Uncertainties.
- 6. **Contributions** from General Fund unrestricted funds for state and federal underfunded programs such as Student Transportation, Special Education, Routine Maintenance, and others is projected to be \$12.92 million for 2023-24.

Analysis of this schedule and explanations of variances are on the following pages.

#### Revenues

- No material change to the budget for LCFF Sources.
- The increase in **Federal Revenue** is also due to an update to Special Education revenue estimates in the SELPA Funding Model.
- The change in **Other State Revenues** is also due to an update to Special Education revenue projections in the SELPA Funding model.
- Other Local Revenues were reduced to reflect a small adjustment in estimates.

#### **Expenditures**

- The budget for **Certificated Salaries** is largely unchanged from First Interim.
- The budget for **Classified Salaries** is reduced from First Interim due to not filling open positions and a reduction in overtime expenditures.
- Employee Benefits accounts decreased due to the reduction in salary accounts.
- The decrease in **Books and Supplies** is due to cost-cutting measures implemented as well as right sizing budgets for anticipated expenditures.
- The increase in Services and Other Operating is due to a large increase in contracted services for Special Education positions that could not be filled by GUSD Employees.
   These positions include Paraeducators, Occupational Therapist and Speech Language Pathologists.
- The small decrease in **Capital Outlay** is due to finalizing the costs for the relocatable buildings and reductions of budgets that will not be used in 2023-24 fiscal year.

#### **Fund Balances**

Combined fund balance in the General Fund is projected to be \$9,317,006 at the end of 2023-24. Of that amount, \$2,074,361 is from Restricted Programs and \$2,293,700 is the current required 3% Reserve for Economic Uncertainties. Available reserves projected at the end of the 2023-24 fiscal year amount to 9.47% of total expenditures and transfers. The total reserve amount decreased from the First Interim Budget largely due to the increase in the need to use contracted services for critical Special Education services.

The three years of data presented above were developed beginning with the figures in the Second Interim Budget for 2023-24 as a starting point. The financial position over the next three years meets all statutory reserve requirements.

Discussion of changes to revenues and expenditures and assumptions used to develop the multi-year projection is provided below.

#### Multi-Year Revenues

While property tax grew by almost 6% in 2023-24, it is prudent to be more conservative for 2024-25 and 2025-26. Projections for growth in those years in 4.5% and 4% respectively which accounts for the increase in **LCFF Sources**.

The small increase in **Federal Revenue**s is to account for modest growth in Special Education Funding through the SELPA funding model and other Federal Resources.

The large reduction in **State Revenues** accounts for the removal of the one-time Arts, Music and Instructional Materials Block Grant revenue of \$981,305 received in 2023-24 that will not be received next year.

**Local Revenues** are reduced for 2024-25 and 2025-26 to eliminate \$278,776 in one time E-Rate funding for technology that is not known to be available in future years.

#### Multi-Year Expenditures

Salaries and Benefits accounts are increased each year by the step and column movement on the salary schedule and benefits are adjusted for increases to the GUSD PERS and STRS contribution and other statutory benefit contributions each year. Even though over \$1 million in reductions approved by the GUSD Board of Trustees will impact Salaries and Benefits, they are not part of this account line and are discussed below.

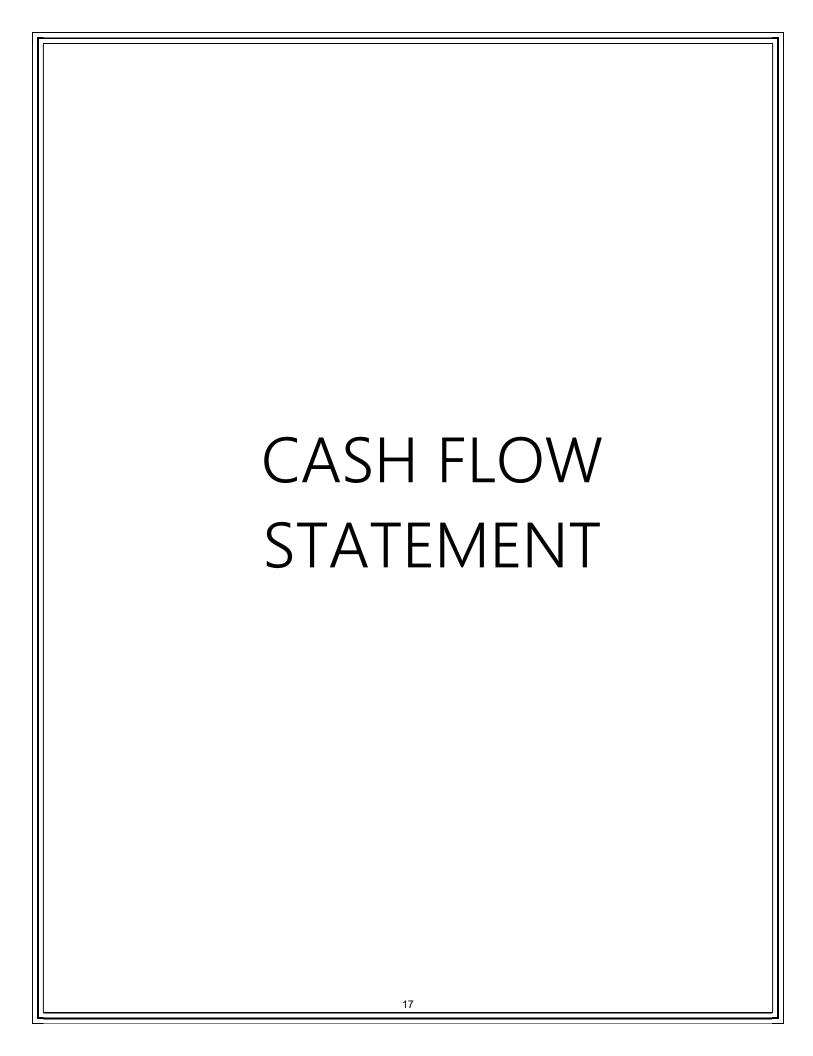

The \$700,000 increase in **Books and Supplies** in 2024-25 accounts for the purchase of a state approved Social Studies curriculum. This amount is paid out of the balance carried forward in the Restricted Arts, Music and Instructional Materials Block Grant and is backed out for 2025-26.

The adjustment to the **Transfers Out** account is the net of the continued transfers in of Indirect Costs charged to restricted programs (Transfer In) and the addition of the \$150,000 transfer to Deferred Maintenance in both years.

Targeted Reductions have been added to the Multi-Year Projection in an effort to eliminate the budget deficit in 2024-25 and 2025-26. The GUSD Board of Trustees approved reductions of \$2,394,763 on February 7, 2024, that resulted in reduction of force (RIF) of fifteen full time classified positions as well as the reduction of hours of nine additional classified positions. These reductions will affect multiple accounts in the Adopted Budget for 2024-25, but for presentation simplicity, they are all on one line in this multi-year projection.

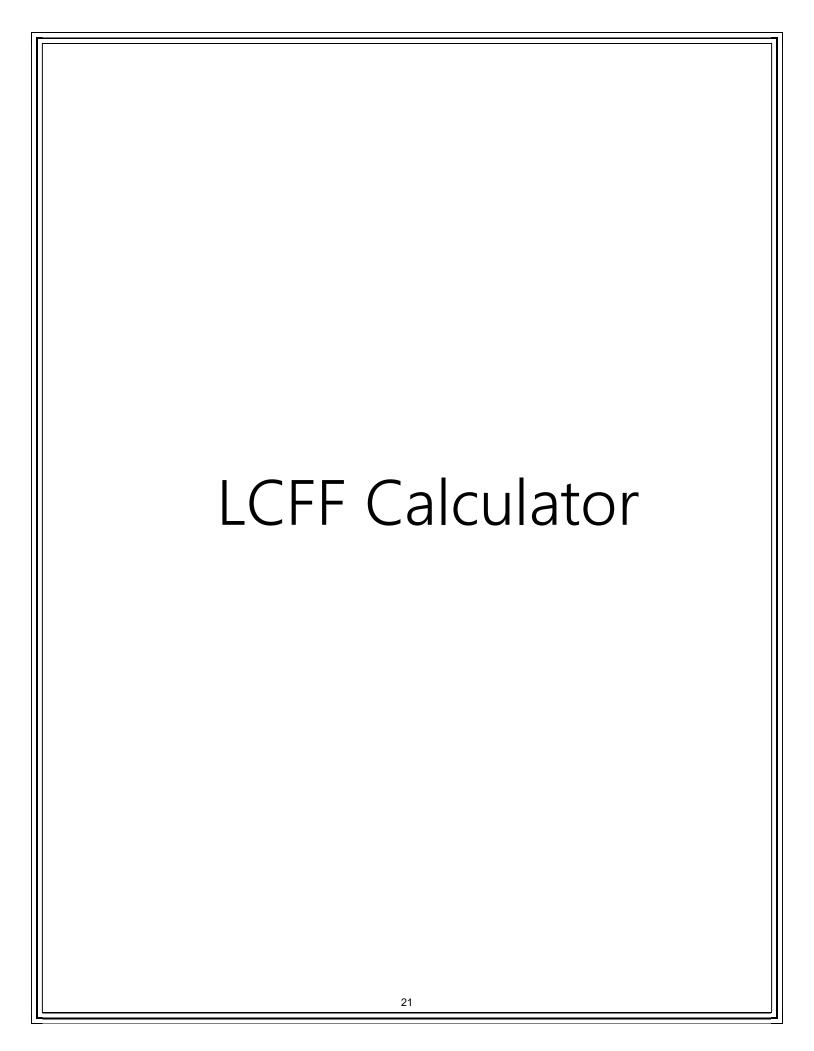

#### Multi-Year Fund Balances

This multi-year projection shows the GUSD reserves to be 9.47% in 2023-24, 11.95% in 2024-25 and 13.35% in 2025-26. Overall, the district will continue to focus efforts on controlling costs, maintaining robust educational programs, COLA for staff and re-establishing a prudent reserve. The potential cost of negotiated settlements with GUSD unions is not represented in this multi-year projection.

The Expanded Learning program which provides after school services and intersession services to GUSD students continues to thrive. Total revenues in the program are over \$4.8 million. The cost of the program exceeds the amount of the state grant for ELOP by almost \$650,000 which is supported through the fee-based part of the program. Costs decreased from First Interim mainly due to open positions and other efforts to minimize costs in the program to match the reduction in revenue estimates from First Interim. The program is projected to end the year with a reserve balance of over \$3.1 million that contributes to the overall district General Fund Reserve.

# Fund 08 – Student Activity Fund

This fund is used to account separately for all fundraising and student activity for each school site. All money is kept in the County Treasury and accounted for in the district's accounting system as external bank accounts have been eliminated. Each school has its own set of accounts and is managed and budgeted separately centrally at the district office.

# Fund 12 – Child Development Fund

This fund is used to account separately for federal, state, and local revenues to operate child development programs. All money received for or from child development services covered under the Childcare and Development Services Act (Ed Code Section 8200 et seq.) shall be deposited into this fund. GUSD operates state funded preschools that are accounted for in this fund as self-supporting. Currently, the district is licensed for classrooms housed at Ellwood, La Patera and Hollister schools.

The Child Development Fund has seen an increase in contract for state preschool revenue over the last few years as well as an increase in QRIS funds. This fund is balanced annually, and all contract revenue is budgeted in expenditures. The increase in revenue allowed for the increase in appropriate expenditures at Second Interim.

### Fund 13 – Cafeteria Special Revenue Fund

This fund is used to account separately for federal, state, and local resources to operate the food service program. The Cafeteria Special Revenue Fund (Fund 13) shall be used only for those expenditures authorized by the GUSD Board of Trustees as necessary for the operation of the Food Service program (Education Code sections 38091 and 38100). Meals are prepared at the district office central kitchen and trucked to all school sites each day.

The Food Services Department has transitioned out of the model of free meals for all back into the National School Lunch Program (NSLP). The State has committed funding to ensure all meals continue to be free to all students and backfills the amount that would have been paid by families that do not qualify for free lunch. With this funding comes the requirement to offer two meals per day to all students. At Second Interim the fund will operate at a slight deficit in an effort to spend down fund balance.

### Fund 14 – Deferred Maintenance Fund

This fund is used to account separately for revenues that are restricted or committed for deferred maintenance purposes (Education Code sections 17582). Deferred maintenance uses include interior and exterior painting, major repair or replacement of plumbing, roofs, heating, electrical, asphalt and flooring systems.

Due to the budget deficit in the General Fund for 2023-24, the contribution to this fund has been deferred to 2024-25. A \$150,000 transfer from the General Fund has been added back in for 2024-25 and 2025-26 on the multi-year projection. Budgeted expenditure amounts are made for potential maintenance projects as needed during the fiscal year, such as roof and furnace repairs, large plumbing jobs, large electrical repairs, etc. This fund is projected to have a balance of \$137,791 on June 30, 2024.

## Fund 21 – Building Fund

This fund is new to GUSD and exists primarily to account separately for proceeds from the sale of bonds (Education Code Section 15146) and may not be used for any purposes other than those for which the bonds were issued. All proceeds received from the sale of General Obligation Bonds authorized by the voter approved Measure M, will be accounted for in this fund. Repayment of the bond will be accounted for in a separate fund.

The first issue of bonds from the Measure M authorization was for a par value of \$5.7 million to be paid back over the next three years and will mature August 1, 2024. The second set of bonds were issued December 6, 2022, for \$30 million. Such projects include playground big toys, roof and HVAC replacement, pavement, classroom furniture and modernizations will be funded with Measure M bond proceeds. Roof replacements were completed at La Patera and Ellwood with asphalt replacements completed at El Camino and Mountain View. Roof and HVAC replacements are scheduled for Isla Vista and Brandon with asphalt projects for Foothill, Ellwood and the District Office for Summer 2024. Playground equipment replacement has begun in 2023-24 and will be completed at all sites over the next two years.

### Fund 25 – Capital Facilities Fund

This fund is used primarily to account separately for money received from fees levied on development projects as a condition of approval (*Education Code sections 17620–17626 and Government Code Section 65995 et seq.*). Expenditures in Fund 25, Capital Facilities Fund, are restricted to the purposes specified in *Government Code sections 65970–65981 or Government Code Section 65995 et seq.*, or to the items specified in agreements with the developer (*Government Code Section 66006*). Costs of justifying and adopting fees may be paid from Fund 25 (*Education Code Section 17620*). Administrative costs of collecting fees may be reimbursed from Fund 25 within the limitations of *Education Code Section 17620*.

Developer Fees are charged by the district are \$4.79/ft. for residential and \$0.78/ft. commercial) and are shared 50/50 with Santa Barbara Unified School District. These fees will provide funding for site increased classroom space, modernization, and the annual rental cost of six portable classrooms. The budget includes costs shared with ELOP to add two new portable classrooms to the El Camino campus where space is very impacted. A transfer for \$120,695 has been budgeted to cover a potential shortfall in revenues.

### Fund 51 – Bond Interest and Redemption Fund

This fund is used for the repayment of bonds issued for an LEA (*Education Code sections 15125–15262*). Bonds may be issued either by the county board of supervisors on behalf of the school district, or by the school district. The County Auditor maintains control over the LEA's Bond Interest and Redemption Fund. The principal and interest on the bonds must be paid by the County Treasurer from taxes levied by the County Auditor-Controller.

This fund was established by Santa Barbara County to collect property taxes used to pay for principal and interest owed on the GUSD General Obligation Bonds (Measure M-1996). The new Fund 55 is combined with the existing Fund 51 to account for the new Measure M-2020. The County of Santa Barbara is legally responsible for setting the property tax rates necessary to have sufficient monies on hand to closely match interest and principal (redemption or retirement) on the bonds. No changes were made to the budget in this fund at Second Interim. GUSD does not technically control this fund, but it is presented for informational purposes and to meet the legal disclosure requirements.

# Fund 66 – Warehouse Revolving Fund

This fund is used primarily to maintain budget control and stock accounting of merchandise for District use (*Education Code Section 42830*). The Warehouse Revolving Fund (Fund 66) is reimbursed from various funds for amounts consumed by these user funds.

Expenses in Fund 66, Warehouse Revolving Fund, may include the purchase of stores to be placed in stock and the costs of receiving, storing, and delivering stores (*Education Code Section 42832*).

# Fund 77/78 – SELPA Pass-Through & Payroll Clearing Funds

Fund 77 exists to account separately for the amounts of special education funding received from the State on behalf of the Santa Barbara County Special Education Local Planning Area. The funds will be transferred from Fund 77 to the SELPA and will then be distributed to member districts. GUSD is acting simply as a "cash conduit." for state funding. Fund 78 is now used to accumulate employer and employee payroll contributions for health insurance. Payments to health insurance vendors are then made from this Fund, including retiree purchases for insurance. Employees contribute for ten months during the school year and do not contribute in July and August which is why there will always be a balance at year end to pay July and August premiums to SISC.

Part I - Conora	l Administrative	Shara of Diant	Sarvicae Caete

California's indirect cost plan allows that the general administrative costs in the indirect cost pool may include that portion of plant services costs (maintenance and operations costs and facilities rents and leases costs) attributable to the general administrative offices. The calculation of the plant services costs attributed to general administration and included in the pool is standardized and automated using the percentage of salaries and benefits relating to general administration as proxy for the percentage of square footage occupied by general administration.

#### A. Salaries and Benefits - Other General Administration and Centralized Data Processing

1. Salaries and benefits paid through payroll (Funds 01, 09, and 62, objects 1000-3999 except 3701-3702) (Functions 7200-7700, goals 0000 and 9000)

2,866,143.55

- 2. Contracted general administrative positions not paid through payroll
  - a. Enter the costs, if any, of general administrative positions performing services ON SITE but paid through a contract, rather than through pay roll, in functions 7200-7700, goals 0000 and 9000, Object 5800.
  - b. If an amount is entered on Line A2a, provide the title, duties, and approximate FTE of each general administrative position paid through a contract. Retain supporting documentation in case of audit.

#### Part II - Adjustments for Employment Separation Costs

When an employee separates from service, the local educational agency (LEA) may incur costs associated with the separation in addition to the employee's regular salary and benefits for the final pay period. These additional costs can be categorized as "normal" or "abnormal or mass" separation costs.

Normal separation costs include items such as pay for accumulated unused leave or routine severance pay authorized by governing board policy. Normal separation costs are not allowable as direct costs to federal programs, but are allowable as indirect costs. State programs may have similar restrictions. Where federal or state program guidelines required that the LEA charge an employee's normal separation costs to an unrestricted resource rather than to the restricted program in which the employee worked, the LEA may identify and enter these costs on Line A for inclusion in the indirect cost pool.

Abnormal or mass separation costs are those costs resulting from actions taken by an LEA to influence employees to terminate their employment earlier than they normally would have. Abnormal or mass separation costs include retirement incentives such as a Golden Handshake or severance packages negotiated to effect termination. Abnormal or mass separation costs may not be charged to federal programs as either direct costs or indirect costs. Where an LEA paid abnormal or mass separation costs on behalf of positions in general administrative functions included in the indirect cost pool, the LEA must identify and enter these costs on Line B for exclusion from the pool.

### A. Normal Separation Costs (optional)

Enter any normal separation costs paid on behalf of employees of restricted state or federal programs that were charged to an unrestricted resource (0000-1999) in funds 01, 09, and 62 with functions 1000-6999 or 8100-8400 rather than to the restricted program. These costs will be moved in Part III from base costs to the indirect cost pool. Retain supporting documentation.

### B. Abnormal or Mass Separation Costs (required)

Enter any abnormal or mass separation costs paid on behalf of general administrative positions charged to unrestricted resources (0000-1999) in funds 01, 09, and 62 with functions 7200-7700. These costs will be moved in Part III from the indirect cost pool to base costs. If none, enter zero.

Part IV - Carry-forward Adjustment	

The carry-forward adjustment is an after-the-fact adjustment for the difference between indirect costs recoverable using the indirect cost rate approved for use in a given year, and the actual indirect costs incurred in that year. The carry-forward adjustment eliminates

the need for LEAs to file amended federal reports when their actual indirect costs vary from the estimated indirect costs on which the	
approved rate was based.	
Where the ratio of indirect costs incurred in the current year is less than the estimated ratio of indirect costs on which the approved rate for	
use in the current year was based, the carry-forward adjustment is limited by using either the approved rate times current year base costs,	
or the highest rate actually used to recover costs from any program times current year base costs, if the highest rate used was less than	
the approved rate. Rates used to recover costs from programs are displayed in Exhibit A.	
A. Indirect costs incurred in the current year (Part III, Line A8)	4,791,973.97
B. Carry-forward adjustment from prior year(s)	
Carry-forward adjustment from the second prior year	2,123,627.94
2. Carry-forward adjustment amount deferred from prior year(s), if any	0.00
C. Carry-forward adjustment for under- or over-recovery in the current year	
1. Under-recov ery: Part III, Line A8, plus carry-forward adjustment from prior years, minus (approved indirect	
cost rate (11.94%) times Part III, Line B19); zero if negative	0.00
2. Over-recovery: Part III, Line A8, plus carry-forward adjustment from prior years, minus the lesser of	
(approved indirect cost rate (11.94%) times Part III, Line B19) or (the highest rate used to	
recover costs from any program (11.94%) times Part III, Line B19); zero if positive	(1,775,416.98)
D. Preliminary carry-forward adjustment (Line C1 or C2)	(1,775,416.98)
E. Optional allocation of negative carry-forward adjustment over more than one year	
Where a negative carry-forward adjustment causes the proposed approved rate to fall below zero or would reduce the rate at which	
the LEA could recover indirect costs to such an extent that it would cause the LEA significant fiscal harm, the LEA may request that	
the carry-forward adjustment be allocated over more than one year. Where allocation of a negative carry-forward adjustment over more	
than one year does not resolve a negative rate, the CDE will work with the LEA on a case-by-case basis to establish an approved rate.	
Option 1. Preliminary proposed approved rate (Part III, Line D) if entire negative carry-forward	
adjustment is applied to the current year calculation:	4.14%
Option 2. Preliminary proposed approved rate (Part III, Line D) if one-half of negative carry-forward	
adjustment (\$-887708.49) is applied to the current year calculation and the remainder	
(\$-887708.49) is deferred to one or more future years:	5.36%
Option 3. Preliminary proposed approved rate (Part III, Line D) if one-third of negative carry-forward	
adjustment (\$-591805.66) is applied to the current year calculation and the remainder	
(\$-1183611.32) is deferred to one or more future years:	5.77%
LEA request for Option 1, Option 2, or Option 3	
	1
F. Carry-forward adjustment used in Part III, Line A9 (Line D minus amount deferred if	
Option 2 or Option 3 is selected)	(1,775,416.98)

1a. STANDARD NOT MET - Projected ratio of unrestricted salary and benefit costs to total unrestricted expenditures has changed by more than the standard in any of the current year or two subsequent fiscal years. Provide reasons why the change(s) exceed the standard and a description of the methods and assumptions used in projecting salaries and benefits.

Explanation: (required if NOT met)

Reductions approved on 2/5 we placed on one separate line in the MYP for presentation. The reductions approved for salaries and benefits of \$1,005,659 would bring the total into the acceptable range for both years.

Identify new labor agreements that have been ratified since first interim projections, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). ## If salary and benefit negotiations are not finalized, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards and may provide written comments to the president of the district governing board and superintendent
